

Become a Certified Smart Cyclist!

In the classroom we will discuss:

- Rules of the road
- Safety and best practices for road bicycling
- How to perform safety checks
- And more!

On the bike we will practice:

- Bicycle handling drills
- Safety maneuvers
- Safe riding on multi-use trails and streets

Course materials, lunch, and snacks throughout the day will be provided free of charge. Participants will need to bring a bicycle and helmet.
